

Africa, is there hope?

Despite the familiar litanies of a continent in moral, political and social decay, there is...

Building a Future of Hope in Africa:

- Mars Hill Vocational and Secondary School
- I-LEAD Institute for Leadership Ethical Studies & Development
- Family and Community Based Orphanage
- Camp Peniel: Spiritual & Educational Youth Camp
- Christian Medical Center
- Experimental Agricultural Farm

Hope... born of faith in Jesus Christ

Politically, socially and economically, Africa is in distress. The desperate conditions created by the increasing chaos of moral, political and social failures have provided the living church of Jesus Christ with the greatest opportunity to shine as light...

"I am convinced that God has called us to serve Him by serving the marginalized, poor, peripheral human communities that are hungry to know Him by making Jesus Christ known to them." Ernest Ehabe
